Filled to the Utmost Limit-Great

The oil fever has struck New Orleans that the next few days will find scores more of newly incorporated organizations taking the money of the investors.

The Common Carrier of Atlanta, Ga., paints in its April issue a very striking grouping of the railroads included in the community of ownership. The community of ownership. The that of Detroit or Milwaukee, have given the Preitish converted to the community of the profile of the common carrier of Atlanta, Ga., without spending any more than she has paid for fighting. The Boer republics, whose combined population is less that of the community of the profile of the community of the profi

It is impossible at present to sift the wheat from the chaff, and it will not Mileage. be known until the excitement is over how many of the companies are of the wildcat kind, says the New York Herald. Advertisements are all that is necessary to sell any kind of oil stock at this moment, and big and little investors are throwing their money into the treasuries of those first in the field.

Since the day the news of the Lucas combinations or groups are: gusher reached New Orleans, six other big gushers have been struck in the Beaumont vicinity. The second and third and fourth caused no end of excitement, but the striking of big wells is getting to be such a common occur rence that they are passing unnoticed. Reports from the oilfields state that within a month half a hundred gushers

will be throwing oil around Beaumont Prices of land within a hundred miles of the oil center have increased from the value of farm property to that of New York real estate. Thousands of dollars an acre have been asked in many places, and the offerings are taken up as fast as they are made. Money seems to be plentiful, and a careful es timate places the real estate transactions at hundreds of thousands of dol-

Men all over the southern states are oil crazy. Everybody is anxious to get in on the ground floor, and the railways are having all they can do to carry travelers to the Lone Star State. Ev ery railway train out of New Orleans to Texas is crowded with men going to Beaumont to look over the ground. It Buffalo, Rochester and Pittsburg. West New York and Pennsylvania reminds the old prospectors of the days of Cripple Creek and other western Norfolk and Western... points in the days of the gold strikes. It is a case of "Beaumont or bust" with everybody at present. In Beaumont rotal . the situation is terrible. It is an impossibility to secure accommodation at any Missouri Pacific ... price, and thousands of persons are going hungry loaded down with money, oil stock or property deeds worth mil-

HER COSTLIEST WAR.

England Has Already Spent \$750,-000,000 In Fighting the Boers. When the English budget was intro-duced, somebody said that every Boer killed had cost \$5,000. The estimate was generally accepted and commented upon without examination. The truth A BIG BOOM IN LAND VALUES.

UNDER THE CONTROL OF SEVEN MEN

is, as a moment's reflection will show, that the figure is ridiculously low, says the New York Journal. The British Harmony-With Belmont, J. P. Mor- 5,000. If it has cost them \$750,000,000 gan Practically Dominates the to kill 10,000 Boers, that is \$75,000 per Boer; if only 5,000 have been dispo of, the butcher's bill amounts to \$150,-

have given the British empire the mos history in the same space of time.

England is borrowing \$300,000,000 to pay a mere installment of the cost of the Boer war. The British national debt practically began in the reign of William III, and the entire amoun borrowed in that reign, including the support of an eight years' war with France, was \$60,000,000. The ten years' war of the Spanish succession added \$115,000,000 to the British national

The nine years of war from the be ginning of hostilities with Spain in 1739 to the end of the general war of the Austrian succession in 1748 called for borrowings to the amount of \$145,000,-The great Seven Years' war in volved \$290,000,000 of new debt. The eight years' war of the American Revolution, including wars with France, Spain and Holland, required loans to the amount of \$380,000,000. The greatest amount borrowed by Great Britain in any one year in the wars of the French revolution was \$150,000,000, in 1795, repeated in 1797. The greatest amount borrowed in any one year during the Napoleonic wars was \$198,000,-000, in 1813. The Crimean war of three years increased the national debt by \$195,000,000. The Boer war has lasted a year and a

her history. Moreover, she has spent more than we spent in our civil war 1865, when we had over a million soldiers under arms. In that year our war expenses, military and naval, were nominally \$1,163,307,834.13, but as they were pald in depreciated paper, whose average value was 40% cents on the dollar, the actual gold cost of the war for the year was \$570,887,877.89. England has paid over \$750,000,000 in gold for a year and a half of Boer fighting and expects to pay a billion before the 603 2,358 16.074 job is over.
